

DivorceCare helps you recover from the pain of separation and divorce.

*There aren't many people around you who understand the pain your divorce or separation has caused. To you. Your family. Your friends.*

That's the reason for DivorceCare. It's a series of support groups and seminars conducted by people who understand what you are experiencing. Most importantly, you'll learn how to deal with the pain of the past and look forward to rebuilding your life.

DivorceCare is nondenominational and features biblical teaching for recovery from divorce and separation.

### Support Groups

At DivorceCare you will become part of a small support group of people who are also experiencing separation and divorce. By interacting with these people, you'll learn there are others who understand what you are feeling and who will be able to offer you encouragement. You'll also have a chance to talk about the information presented during the seminar. Many participants say these support groups are the most helpful part of the program.

### DivorceCare Seminar

DivorceCare features video seminars with 33 renowned experts on divorce and recovery topics.

The DivorceCare seminar topics include:

- What's Happening to me?

*DivorceCare has touched thousands of lives*

"I know that I am not alone..."

"The honesty and openness of the victims on the videos has helped me face my feelings and my situation/divorce."

"This is great! I look forward to DivorceCare each week."

"Real life – not sugar coated."

"It helped me understand my anger and loneliness. It also helped me forgive my spouse."
